

Data processor - In the performance of our services, Kromann Reumert will be processing personal data on behalf of our clients and is, therefore, by definition, a data processor.

<b>When?</b>	<b>Types of personal data</b>	<b>Purpose</b>	<b>Legal basis</b>	<b>Retention period</b>	<b>Disclosure</b>
<b>Whistleblower schemes</b>	ID and contact details, company, title, and various personal data contained in reports of relevant issues or observations.	Where we are managing a client's whistleblower scheme, we will be processing personal data on our client's behalf.	<p>Kromann Reumert is a data processor acting on our client's behalf, and it is, therefore, the client who decides on what legal basis the processing takes place.</p> <p>In the vast majority of cases, reports received under whistleblower schemes are handled in pursuit of the client's legitimate interest in investigating potential violations of applicable law within the scope of the scheme (see Article 6(1)(f) of the General Data Protection Regulation and Section 8(3) of the Danish Data Protection Act).</p>	The data will be stored until our client decides to have them erased. Any reports received which are found to be outside the scope of the whistleblower scheme will be immediately erased.	<p>Kromann Reumert will not disclose your personal data to third parties, unless instructed to do so by our client.</p> <p>The IT solution applied is supplied by external provider Got Ethics A/S, which company may have access to the whistleblower scheme for technical and security reasons.</p>
