
ANOTHER SUCCESSFUL COPENHAGEN EU TAX LAW CONFERENCE

9.26.2018

On Friday 21 September 2018, Kromann Reumert held its annual Copenhagen EU Tax Law Conference together with the University of Copenhagen. Another successful conference with great presentations by leading EU tax law experts.

The conference, aimed at practitioners, inhouse counsel and policy makers, this time focused on digital taxation and on recent tax cases from the EU Court of Justice raising question of principle.

"We are proud to look back at another successful conference. The speakers were just great, the audience simply the best and deeply engaged in the presentations and discussions about the status and future of EU tax law," says Kromann Reumert head of tax Arne Møllin Ottosen.

We look forward to seeing you at our Copenhagen EU Tax Law Conference 2019 – so make a mark in your calendar for Friday 25 October 2019.
